Training

We will cover some useful topics for new and veteran teams. All training will be done in one session. There will be no separate break-out sessions.

Game Field Overview

The game field overview will be held around 11:30am. Complete rules will be distributed on CD. We've allocated plenty of time for Q&A.

Kit Distribution

We will distribute kits from the Lecture Hall starting about 12:30pm. We will call your team by name. Please do not enter the Lecture Hall until instructed to do so.

It's not a bad idea to get familiar with Kit parts now so you'll recognize the items when doing your inventory. The 2018 Kit Lists and additional reference material have been attached and can also be found on the BEST File Manager at:

[MAIN](#) / [2018 Game Files](#) / [Kit](#)

It is crucially important that you collect your kit materials and inventory them all on-site BEFORE YOU LEAVE. It is much more difficult to fix any discrepancies in kits after you leave. Kit Checklists will be provided.

Other Important Instructions

Bring a large enough vehicle or vehicles to take your kit parts with you. The largest pieces are 2'x4' plywood (3 pieces) and 5' long PVC bundle (~8" diameter).

SEE YOU AT KICKOFF!
