Parking & Entrance

You may park in the lots near the main entrance.
Enter the building only through the Main Entrance.

Arrival

Everyone is welcome to attend (students, teachers, mentors, parents, siblings, friends).

Plan to arrive early (8:30am-9:00am) and make your way to the cafeteria (straight through the front entrance). We expect over 350-400 attendees. Please be on-time. We will start promptly at 9:15am.

Please do not wander through the building. Stay in the designated areas. Please be respectful of the property. It is a very nice facility and we want to leave it that way!

Agenda for the Day

We plan to begin presentation promptly at 9:15am in the cafeteria/commons. PLEASE BE ON-TIME.

Upon entering the building, follow the main hallway straight to the cafeteria/commons.

Training

We will cover some useful topics for new and veteran teams. All training will be done in one session. There will be no separate break-out sessions.

Game Reveal

The game reveal will be held around 11:30am. Complete rules will be distributed on CD. We've allocated plenty of time for Q&A. The reveal will be in the gymnasium. We will walk outside and around to the gym together at about 11:20am.

Liberty Hill High School Lower Level

Kit Distribution

We will distribute kits from the Blue Hall starting around 12:30pm. We will call your team by name. Please do not enter the Blue Hall until instructed to do so.

It's not a bad idea to get familiar with Kit parts now so you'll recognize the items when doing your inventory. The 2019 Kit Lists are attached for early reference. Additional reference material can also be found on the BEST File Manager at:

[MAIN](#) / [Public Resources & Training](#)

It is crucially important that you collect your kit materials and inventory them all on-site BEFORE YOU LEAVE. It is much more difficult to fix any discrepancies in kits after you leave. Kit Checklists will be provided.

We need a teacher/adult AND a student to sign for the Return Kit. I have attached a copy so that you may fill it out before arriving. Blank form will be in the Kickoff packet as well.

Other Important Instructions

Bring a large enough vehicle or vehicles to take your kit parts with you. The largest pieces are 2'x4' plywood (3 pieces) and 5' long PVC bundle (~8" diameter).

Team Dashboard credentials will be distributed at Kickoff. The Team Dashboard will allow you to sign up for Practice Day, Robot Compliance Check, Marketing Presentation, and Spirit Breaks. It will allow you to upload your Engineering Notebook, team rosters, and other team identity information.

SEE YOU AT KICKOFF!
